

August 16 FM Membership Meeting Synopsis

Two Guests: Two members of the Eastern Michigan Tractor Pulling Assoc submitted their needs for preparation of the pulling area. Need help removing scale from trailer and setting up Friday evening. They have their own water wagon, and prep of the ground was discussed.

Minutes of July 12th meeting approved

Treasures report given by Bill Schultz, approved

There was no meeting of the bylaws committee. Discussion on requests to changes that were submitted via email needing to be signed.

Harvest Days event discussion consisted of information pertaining to Propbusters flying club entrance to their field. Will have a membership list and member card. Help is needed at pancake breakfast and to drive the people movers. White wrist bands for members, signs being made for gates with wrist band color code. Several other topics pertaining to FHD

Raffle sales at the Armada fair are going well, slow in the morning, staffing is covered. Any members with outstanding tickets, sold tickets, or money need to turn it in by Friday Aug. 26.

Discussion about the concession trailer graphic wrap. Design pictures presented, may make minor adjustments, design approved, hope to get it done this week

Ford truck bed has been placed on back of truck temporarily as parts came up missing while setting on the cement pad. St. Clair Collision will start on the front clip this fall and winter. Cherry lumber from sawmill will be used for truck bed.

In farming, the beans have been sprayed, pumpkins are growing, sweet corn may be ready for FHD, working on subsoiling fields

Please remove superfluous materials from the horse barn asap as that area is needed for the horses at FHD

Advertising update by President Markel, several interviews and radio spots in the works. Questions about showcase, donation plaques, electrical suggestions meeting time and date.
